Editorial Review

Review

"Professor Gundry's 4th edition continues to be the preferred textbook for an undergraduate New Testament survey course. Gundry's 'Further Discussion' recommendations at the end of each chapter have facilitated many lively discussions in the classroom. A wonderful feature of this textbook is the 'How Much Did You Learn?' questions, which I require students to answer in a notebook, along with keeping key definitions from the textbook. With the new images and maps, this new edition will continue to guide undergraduate students through the strange world of first century Palestine for many generations to come. I recommend its use wholeheartedly.' Spring Arbor University -- Brian Lugioyo
