Every Man's Marriage: An Every Man's Guide to Winning the Heart of a Woman (The Every Man Series) By Stephen Arterburn

What every man wishes he knew about what his wife desires most.

Authors Stephen Arterburn and Fred Stoeker believe that every man can meet the secret desires of his wife. The problem is, most of us aren't exactly sure what that desire is and how we can go about fulfilling it faithfully.

In *Every Man's Marriage*, you can discover the common misconceptions about what it means to exercise biblical authority and understand the role of submission in the marriage relationship. This groundbreaking book can help men grasp and apply essential but often overlooked principles for marital leadership.

Through candid reflections on their own struggles to achieve biblical unity in their own marriages, along with many years of combined experience in marital counseling, Arterburn and Stoeker apply solid, time-tested biblical wisdom to the everyday potential distortions that can lead to strife in a marriage.

The second book in the "Every Man" series, this is the perfect follow-up to the best-selling *Every Man's Battle*. *Every Man's Marriage* is a terrific resource for establishing mutual respect and sacrifice in your marriage based on Christ's example of loving *His* bride, the church.

Includes a comprehensive workbook for individual or group study.

Editorial Review

Review

Review

I recommend this book to all Christian married men, regardless of the strength or the longevity of their marriages. After all, none of us as husbands have arrived! Get it, read it, practice it, and see the difference! -- David R. Bess (Charleston, WV) As I read this book tears poured down my cheeks. This is how I should have treated my wife. This is what she deserved, but it was not what she got. I now do not have a wife after 25 years of marriage. I am now single but I can tell you this when I do find another wife this book will be my workbook! The book is easy and light reading but it is a very powerful book. I would have paid a thousand times the price for this valuable information. If you want your wife's heart, practice the pages of this book. -- Sherman Smith (Tustin, Ca USA)
