Hotel Kerobokan By Kathryn Bonella

Welcome to Hotel Kerobokan, the ironic nickname for Kerobokan Jail, Bali's most notorious prison, and home to a procession of the infamous and tragic; the Bali bombers, the King of Denpasar, the Bali Nine, chef Gordon Ramsay's brother, among many more.

In Hotel Kerobokan's filthy disease-ridden cells, a United Nations of prisoners live crushed together in misery. Petty thieves and small-time drug users share cells with killers, rapists and gangsters. Hardened drug traffickers sleep alongside unlucky tourists, who've seen their holiday turn from paradise to hell over one ecstasy tablet.

Hotel Kerobokan reveals the wild 'sex nights' organised by corrupt guards for prisoners who have the money, the rampant drug use, the suicides and killings, and days out at the beach. It exposes the jail's role in supplying high-grade drugs to the outside, the gang that rules through terror, the corruption that means anything is for sale, and the squalor and misery endured by prisoners.

Written by Kathryn Bonella, backed up by hundreds of prisoner interviews, the truth about Hotel Kerobokan explodes off the page.

Kathryn Bonella is also the author of *Snowing in Bali*.

Editorial Review

Review

SOUTH CHINA MORNING POST

Bonella's portrayal of the jail, which holds men and women, will make readers flinch with its graphic descriptions of violence and debauchery taking place under the eyes of bent guards. On "sex nights", hookers, girlfriends and wives enter the jail to couple with their lovers wherever they can.

IRISH EXAMINER

A fascinating insight into the prison, Hotel K includes shocking testimonies and black humour

SUN-HERALD

An insightful and sharply observed account of life inside Indonesia's most notorious prison. Bonella casts a cool, journalistic eye over some horrific events but even plain description is enough to make the opening chapter nauseating.

From the Author

If you enjoy reading this book, Hotel K, you might also enjoy my newly released title SNOWING IN BALI - a graphic look at Bali's cocaine traffickers. I've just spent 18 months interviewing some of the island's biggest western and local cocaine bosses who revealed incredibly hedonistic lives of orgies, drugs, surfing and in very graphic detail - so much so that I sometimes quoted them directly in the book. If you are interested in seeing, feeling and getting to know, up close and personal, these drug bosses and incredible lives - from the highs of multi-million dollar deals, walking through airports with tens of thousands of Euros in their shoes and underpants, splashing cash on anything they want - like spontaneously paying 25K Euro cash for a Rolex ... and also the dark side of getting busted, tortured and sent to prison ... then Snowing in Bali is likely to appeal to you. I found it a fascinating book to research.

From the Inside Flap

This book is dedicated to anyone travelling to the tropical paradise Bali.

Be careful. It could be a holiday you never forget. Even one ecstasy pill could cost you tens of thousands of dollars and a stint in the hellhole Hotel Kerobokan.
