### Just As Long As We're Together By Judy Blume

From the *New York Times* bestselling author of *Are You There God? It's Me, Margaret* and the adult bestseller *In the Unlikely Event* comes a tale of family, friendship, and pre-teen life like only JUDY BLUME can deliver. The companion to *Here's to You, Rachel Robinson*.

Can you have more than one best friend?

Stephanie's best friend is Rachel. Since second grade they've shared everything, good and bad. But now it's the start of seventh grade and Alison has just moved to their neighborhood. Stephanie immediately clicks with her—she's cool and fun and totally humble even though she's the daughter of a famous actress. Stephanie hopes all three of them can be best friends, but the more she pushes Alison on Rachel, the more Rachel seems to drift away. Is it possible to have two best friends? Or is it true that two's company, three's a crowd?

“Judy Blume does it again in what may be her best book yet!” —*American Bookseller*

### Editorial Review

#### From Publishers Weekly

Stephanie, 12, is into "hunks" even though she's never met one herself. But when she starts seventh grade and finds out that she and her best friend, Rachel, aren't in any of the same classes except gym, Stephanie has more to worry about than boys. A new girl, Alison, moves in; she's a welcome new friend, but her presence alters the relationship between Steph and Rachel. For the first time, Rachel has secrets from Steph. But worse, Stephanie accidentally learns that her father isn't in California on business, but that her parents have separated, and that her father has a girlfriend. She even suspects her mother of having a "fling." The relationships within the story among the three friends, and between Steph and her parents are complicated, and Blume handles this aspect realistically and with great ease. The plot resolution, though carefully handled, is curiously flat. Despite this weakness, the story is lively, moves quickly, and captures the nutty, poignant world of very young teenagers. Ages 10-13.

#### From School Library Journal

Grade 5-7 Blume once again chronicles the customs, mores, and lifestyle of preteen girls. This first-person narrative touches on many themes found in her previous novels: friendship, emerging sexuality, body weight, the family, menstruation. The freshness and intimacy of 13-year-old Stephanie Hirsch's account infuse those themes with originality. Stephanie enters seventh grade armed with innate optimism, two best friends, and a supportive mom. She gradually assimilates the devastating news of her parents' separation, endures the pain of an all-out fight with her oldest best friend, and comforts her young brother through nightmares of nuclear war. The Blume trademarks of realistic dialogue, funny non sequiturs, and forthright misinformation (gullible Stephanie is told by her friend that hairy legs on a boy indicate sexual experience) are much in evidence. The inviting jacket design, showing the three friends in a fit of giggles, perfectly evokes the upbeat story. Susan H. Patron, Los Angeles Public Library

#### From the Publisher

*Just As Long As We're Together*

Rachel is Stephanie's best friend. Since the second grade they have shared all their secrets, good and bad. So when Alison moves in, Stephanie hopes that the three of them can be best friends because Stephanie really likes Alison. After all, they have even more to share now, including seventh grade and Jeremy Dragon, the cutest boy in junior high.

Even though the three of them live in a quiet Connecticut neighborhood, there's a lot going on in their lives. Stephanie wishes her father didn't have to work so far from home and she worries that Rachel's talents will get in the way of their friendship. Rachel and Alison have to deal with the changes in their own lives, yet Stephanie is sure everything will work out fine--"just as long as we're together...."

### Users Review

#### From reader reviews:

**Maxine Lucas:**

Have you spare time for a day? What do you do when you have more or little spare time? Yeah, you can choose the suitable activity regarding spend your time.
