Editorial Review

From the Publisher

Building upon the idea that public administration in the United States cannot be understood outside of a political and historical framework, this book focuses on the interaction between Constitutionally mandated institutions and the bureaucracy, and explores the tug-of-war between the legislature, the chief executive, courts, and states versus the agencies.

From the Back Cover

This book focuses on the interaction between the constitutionally mandated institutions and the bureaucracy.

Users Review

From reader reviews:

Lawanda Beverly:

Inside other case, little men and women like to read book Public Administration in Theory and Practice. You can choose the best book if you appreciate reading a book.
