### Wanted! (Sons of Chance Series Book 1) By Vicki Lewis Thompson

Photographer Dominique Jeffries has come to Wyoming to find herself—her creative self, her sexual self. After escaping the engagement from hell, she's dying to break loose and live a little. And seducing a shirtless, sweaty cowhand looks like just the place to start....

Nick Chance isn't exactly a cowhand but, hey, he'll be whatever the lady wants! Only he soon realizes that this is more than just a quick roll in the hay. There's something about Dominique that calls to him, something about her that completes him.

There's only one problem. Dominique wants a fling, not another relationship.

Little does she guess how easily she'll be *persuaded* to take a Chance—again and again and again!
