### Editorial Review

#### Review

"Impressive. . . . Following biographical and critical essays, the bulk of the volume is taken up with what can only be described as the definitive Hitchcock filmography, including complete credits for each film and extremely long synopses which are obviously based on viewings of the extant films."--Anthony Slide, "Classic Images

#### From the Inside Flap

"A concise and intelligent synthesis of what we know and think about Hitchcock and a road map to future work on the subject. . . . There is no complete index to Hitchcock's career like this one and critics and historians will mine Sloan's work with enormous profit. . . . The 'Critical Survey' section constitutes an invaluable contribution to the project of metacriticism."—Matthew Bernstein, author of *Walter Wanger, Hollywood Independent*
