Essential Reading Skills, Preparation for High School Equivalency Tests By Teresa Perrin

Boost GED® Test Scores in Reading and Language Arts

This book teaches students to identify and break down the important parts of any text to better comprehend the author's meaning and purpose. Lessons develop the literacy skills necessary to take on college and career-level reading.

Lessons connect new ideas to familiar concepts. Students learn to approach reading tasks efficiently using purpose-driven reading strategies. Practice questions help students test out the strategies, then check their work.

Aligned to Common Core and College and Career Readiness Standards, this book focuses on developing vocabulary skills, and a knowledge of central themes, arguments, literary conventions, story structure and point of view. Science and social studies texts are presented along with fiction and nonfiction texts.

Use the 36 complete lessons to support classroom teaching or as a self-study guide. The 380-page book is filled with graphic organizers and helpful visual reminders to improve student's reading comprehension and prepare for the rigors of the 2014 GED® test, TASC Test™, or HiSET® exam.

Subjects covered in this book:

Reading Strategically: DARE Process, Questioning, Skimming and Scanning texts, Note-Taking and Graphic Organizers, Vocabulary, Inferences and Central Ideas
