"Romantic suspense favorite Gerard is known for her fast-paced, special-ops-based books, and this is the first in her new One-Eyed Jacks series. From the intensely captivating opening scene to the last tender moment, Gerard takes the reader on an emotionally complex yet action-packed roller-coaster ride of romance and conflict, capitalizing on both sexual and situational tension. Mike and Eva leap off the page as smart, resourceful yet damaged characters who find solace and sanctuary in each other and their shared journey toward truth and redemption. Gerard hits the mark with this addition to her unique and successful brand of special-ops romantic suspense." (Kirkus)
