Editorial Review

From the Publisher

This book is written primarily as a companion to the Mechanical Engineering Reference Manual, but is also useful as a stand-alone book providing extra practice solving problems.

About the Author

Michael R. Lindeburg, PE, is recognized among the engineering community as the leading authority on professional engineering licensing exam preparation. The author of many books on this subject, he has taught and supervised exam-review courses for over 25 years. He holds BS and MS degrees from Stanford University in industrial engineering. When not writing, he can be found hosting the "Licensing Exam Forum," an online bulletin board for FE and PE candidates.

Users Review

From reader reviews:

Margaret Wright:
