### Review

"This is a terrific text, one of the best in the field. It is comprehensive, reliable, and useful. The authors provide a simple, easy-to-understand narrative and an ample supply of thoughtful, relevant exercises." -- Joseph Hayden, University of Memphis

"The most satisfying text I ever used in my news reporting course. I've used it for the past year and have recommended it to other instructors who were equally praiseworthy after using it. The book's strengths lie in its straightforward delivery of the basic elements of journalism and the many examples at the ends of chapters, which allow students to put into practice the teachings of the chapter." --Scott Brown, CSU Northridge

"Reporting for the Media teaches the fundamentals of journalism through excellent examples and exercises while including up-to-date information on the issues and challenges facing today's news media." --Deborah Givens, Eastern Kentucky University
