The Rincewind Trilogy: A Discworld Omnibus: Sourcery, Eric, Interesting Times (GollanczF.) By Terry Pratchett

The Discworld is, as everyone must now know, and no one should need to be told, flat. It rides through space on the back of four elephants* which, in turn, are standing on the shell of an enormous turtle. The Rincewind trilogy is a bumper volume containing the complete text of two novels and one novella, all starring one of the Discworld's most popular characters: the Wizzard Rincewind and his irrepressible - and quite intractable - Luggage. * There used to be five, but that's another story entirely
