The Theatre of Robert Wilson (Directors in Perspective) By Arthur Holmberg

Robert Wilson, the leading American avant-garde theatre director, revolutionised the stage by making visual communication more important than words. His productions cut across the boundaries that traditionally have defined theatre, dance, opera and the visual arts to create a total work of art. This book, the first comprehensive study of Wilson, traces the evolution of the director's astonishing career as well as his complex relationship to language and his visual rhetoric. It explains how he renovated the stage and describes in detail major productions such as: Deafman Glance, Einstein on the Beach, and the Civil Wars. Arthur Holmberg's numerous personal interviews and first-hand observations of Wilson's creative process, provide an intimate, behind-the-scenes view of one of our most original directors. Photographs and sketches from Wilson's private collection are included, along with a chronology of his work.

Editorial Review

Amazon.com Review

Robert Wilson's insane, brilliant 14-hour avant-garde theatre experiments in the 1970s often were punishments even to the brave audiences willing to go along with him. But they were packed with theatre ideas and experiments that have been appropriated and digested by a generation and a half of more conventional directors. Here, for the first time on this scale, Wilson's body of work is treated as a whole, and its innovations labeled and catalogued for the ages. Extremely useful both for those who are seeking entry to Wilson's oeuvre, and for Wilson veterans longing for a better understanding of what exactly it was they saw in *Einstein on the Beach*, *CIVIL WarS*, and other projects.

Review

'Holmberg's special achievement lies in his acute attention not only to the aesthetic components of Wilson's work, but also to its aesthetic principles ... The book is organised according to clusters of ideas which with what feels like the help of a good editor, pulls together the prodigious amount of material Wilson has generated. Above all, it shows anyone who wishes to discover or rediscover Wilson just how marvellous he really is.' New Theatre Quarterly

Users Review

From reader reviews:

Rodney Wilson:

Do you one among people who can't read pleasurable if the sentence chained inside the straightway, hold on guys that aren't like that. This The Theatre of Robert Wilson (Directors in Perspective) book is readable by means of you who hate the straight word style. You will find the data here are arrange for enjoyable reading through experience without leaving even decrease the knowledge that want to supply to you. Should you did not have enough space to bring this book you can buy often the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too expensive but this book offers high quality.

Ida Resler:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Theatre of Robert Wilson (Directors in Perspective) can make you really feel more interested to read.

Malcolm Thurmond:

Guide is one of source of knowledge. We can add our knowledge from it. Not only for students but also native or citizen need book to know the update information of year to be able to year. As we know those textbooks have many advantages. Beside we add our knowledge, can bring us to around the world. Through the book The Theatre of Robert Wilson (Directors in Perspective) we can have more advantage. Don't someone to be creative people? For being creative person must prefer to read a book. Only choose the best book that suitable with your aim. Don't always be doubt to change your life with this book The Theatre of Robert Wilson (Directors in Perspective).
