Editorial Review

From Booklist

Doppelganger Mayling is the mate of Gabriel, a Silver Dragon. Unfortunately, however, Mayling was specifically created to be the consort of the Demon Lord Magoth, an oversexed, narcissistic, cleverly evil villain with an ego the size of Hades. Gabriel is a very powerful leader, so Mayling is amazed when he tells her to go through with the consort ceremony. Gabriel might love Mayling more than life itself, but he has his reasons for convincing her to hook up with Magoth. The second in the Silver Dragon series (Playing with Fire, 2008), this zany paranormal, with its madcap plot and screwball characters, will work its magic with MacAlister's many fans and make some new ones along the way. --Shelley Mosley
