#### A Q&A with Pattie Boyd, Author of *Wonderful Tonight*

**Why are you writing the book now?** I have been asked for the last 15 years to write a book, and it is only now that I feel the time is right. My confidence in myself was restored after two successful exhibitions of my photography, and it occurred to me that I was finally ready to take a look at the unique experiences of my life and to share them--including all the ups and downs. **Tell us about the first time you met George Harrison.** Working as a model, I occasionally went for castings, mainly for television commercials. I went for an interview with one of the directors I had worked with in the past, and he cast me in his first movie, *A Hard Day's Night*, to play the part of a schoolgirl. When I first saw George on the set, I thought he was the best-looking man I'd ever seen. I was so surprised when he asked me out on a date at the end of my first day of filming. **Tell us about the first time you heard George Harrison's song, "Something."** George said he had written a song for me, and he played it on the guitar at home without the words. Then when I heard the song after it had been recorded I couldn't believe how utterly beautiful it was. It was released on a single in October 1969, and I felt so thrilled and flattered. **Tell us about the first time you heard Eric Clapton's "Layla."** Eric invited me to his band's flat one day and played a rough recording of "Layla" on a cassette recorder. I was sitting on a sofa and he on the floor as it played, and he kept looking up at me for a reaction. I was stunned; the intensity, passion and tenderness came across so strongly--I knew, as he said, it was written for me.

### Review

"[T]he appeal of *Wonderful Tonight* is as self-evident as the seemingly simple but brash opening chord of 'A Hard Day's Night'... a charming, lively and seductive book, and like all good memoirs it also works as a cultural history... The prose is clear and unpretentious, and although she writes candidly about the pain her husbands' infidelities caused her...this isn't a bitter tell-all. There's an aura of sweetness around Boyd's approach."

—*New York Times Book Review*

"A scrumptious memoir...There is exactly one big question for Ms. Boyd to answer here: What made her leave Mr. Harrison for Mr. Clapton, her husband's close friend? To its credit the book answers that question plausibly and fully."

—*The New York Times*

"They say if you can remember the '60s, you weren't really there. Well, Pattie Boyd was there, and she remembers it all." *Wonderful Tonight* "is a unique gospel of a turbulent time by someone who was in the very eye of the rock 'n' roll hurricane."

—*Sydney Morning Herald*

"Pattie Boyd married two Sixties legends and inspired three of the era's greatest love songs, but life was far from glamorous. The ex-wife of George Harrison and Eric Clapton speaks out in this compelling autobiography."

—*The London Sunday Times*

"There are so many wonderful stories in Pattie Boyd's life: Falling in love with a Beatle. Falling in love with another famous rock star, Eric Clapton, and being serenaded with 'Wonderful Tonight' . . . "But there is much that is excruciating in her life story." Boyd "was taught by her parents that she didn't deserve to be loved; she was told by her husbands that she wasn't worth very much, but here she is: not dead, not on drugs, not an alcoholic, but a survivor."

—*London Daily Mail*

"Will thrill classic-rock buffs with a taste for scandal."

—*Entertainment Weekly*

"Boyd finally answers some of those questions [about George Harrison and Eric Clapton]—but on her own terms."

—*USA Today*

"Sixties model Pattie Boyd opens up about her rocky relationships with two of music's most famed performers."

—*Harper's Bazaar*
