## **Editorial Review**

From School Library Journal

Grade 2-4 Danny Dragonbreath's love of ninja comic books and movies not only fills his imaginative play, but also assists him when he is confronted in real life with ninja frogs that attack his friend Suki, an exchange student from Japan. This attack causes Danny and his friend Wendell to take her on a bus ride to mythological Japan to seek out Danny's wise great-grandfather to assist with their situation. The spirited illustrations, done in green and black with touches of red, capture the humor of the characters' adventures. This delightful easy chapter book could tempt reluctant readers into turning another page. *Nancy D. Tolson, Mitchell College, New London, CT*
