IELTS Study Guide: Quick Tips, Tricks, and Strategies By Larry W Pitts

Great for test takers or for teachers of IELTS. This book gets straight to the point with easy to understand practical tips for each of the modules of the IELTS test. There are no long complicated explanations, just the information you need. **It will quickly become the study guide you come back to again and again.**

In addition to the numerous tips for speaking, listening, reading, and writing, there is also a brief explanation of each module and an overview of the whole test. Lastly, there are lots of practice questions for the speaking portion of the test.

Editorial Review

From the Back Cover

The IELTS test is hard and stressful, especially if this is your first time taking it.

This **short, easy to read study guide** can help first time test takers *know what to expect on test day*.

This book will give you the tips, strategies, and information you need to prepare you for the IELTS test.

It covers the **Academic version** and **General Training version** of the IELTS test. Don't know which version you should take or what the differences between the versions are? That's in here too.

It also contains outlines of what to expect from the IELTS test as a whole and the individual listening, reading, writing, and speaking modules.

The breakdowns of the individual modules are useful, but the most useful parts of this book are the tips and strategies.

For each module (listening, reading, writing, and speaking) we have a lot of short, easy to follow tips and strategies. The book has *36 tips for the listening module, 25 for the reading module, 48 for the writing module, and 44 for the speaking module*. There are over **150 tips total** in this book.

With all the tips and strategies, I'm sure at least some of them will help boost your band score. And **if just one of the tips helps you get a better score, isn't that worth the price of the book?**

The tips and strategies are the most important part of this book, but I know many IELTS test takers have a lot of trouble with the speaking portion. So, as a bonus, I've also included **speaking test practice questions** and **examiner practice scripts** so you can practice in a realistic way with a partner.

The format of this book is focused on giving you lots of information quickly in an easy to understand format. No fluff, just tips and information about the tests **so you can be ready when test day comes**.

About the Author

Larry Pitts is the creator of the popular ESL resource website ESL Conversation Questions and has authored several ESL resource books including *1,000 Conversation Questions: Designed for Use in the ESL or EFL Classroom* and *500 Grammar Based Conversation Questions*. He has also contributed to several resource books for Yonsei University and helped to create *ESL Worksheets and Activities for Kids*.

Users Review

From reader reviews:

David Soto:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the particular information inside

the book in which improve your knowledge and information. The information you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want really feel happy read one along with theme for entertaining including comic or novel. The IELTS Study Guide: Quick Tips, Tricks, and Strategies is kind of book which is giving the reader erratic experience.

Allen Goehring:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their spare time with their family, or their friends. Usually they carrying out activity like watching television, likely to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Can be reading a book could be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to try look for book, may be the guide untitled IELTS Study Guide: Quick Tips, Tricks, and Strategies can be fine book to read. May be it could be best activity to you.

Mae Bushee:

That publication can make you to feel relax. This book IELTS Study Guide: Quick Tips, Tricks, and Strategies was bright colored and of course has pictures on the website. As we know that book IELTS Study Guide: Quick Tips, Tricks, and Strategies has many kinds or category. Start from kids until young adults. For example Naruto or Detective Conan you can read and feel that you are the character on there. So , not at all of book are usually make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading that.

John Cotton:

What is your hobby? Have you heard that will question when you got college students? We believe that that issue was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person just like reading or as examining become their hobby. You need to understand that reading is very important and book as to be the issue. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You see good news or update regarding something by book. Amount types of books that can you choose to use be your object. One of them is actually IELTS Study Guide: Quick Tips, Tricks, and Strategies.
