Northern Lights By Nora Roberts

Let #1 *New York Times* bestselling author Nora Roberts fly you into Lunacy, Alaska, and into a colorful, compelling novel about two lonely souls who are searching for love and redemption...

As a Baltimore cop, Nate Burke watched his partner die on the street—and the guilt still haunts him. With nowhere else to go, he accepted the job as Chief of Police in a tiny, remote Alaskan town with the hopes of starting over. Despite the name, Lunacy provides a balm for Nate's shattered soul—and an unexpected affair with pilot Meg Galloway warms his nights...

But other things in Lunacy are heating up. Nate suspects the killer in an unsolved murder still walks the snowy streets. His investigation will unearth the secrets and suspicions that lurk beneath the placid surface, as well as bring out the big-city survival instincts that made him a cop in the first place. And his discovery will threaten the new life—and the new love—that he has finally found for himself.

Editorial Review

From Publishers Weekly

Roberts shines again with a nuanced tale of the Alaskan wilderness and the appealing eccentrics who cluster there. Former Baltimore cop Nate Burke accepts the unlikely post of police chief of Lunacy, Alaska (pop. 506), to stave off the depression caused by divorce and the traumatic death of his partner, for which he holds himself partly responsible. His early days in the close-knit town are quiet except for minor disturbances and a dalliance with a feisty bush pilot, Meg Galloway. Then Meg's father, who disappeared 16 years before, is found frozen in a remote mountain cave, an ice ax in his chest. The discovery that Pat Galloway was murdered—most likely by a local—shakes up the town and drives his murderer to commit a second, cover-up killing. Though state authorities dismiss that death as suicide, Nate pursues it as a crime—a decision that puts him at odds with many outspoken Lunatics, as the townspeople call themselves. With quiet inexorability he fields the flak, uncovers long-forgotten events and finds a tough but loving balance with the fiercely independent Meg. Though billed as romantic suspense, the novel forsakes artificial genre conventions in favor of a wry, affectionate look at community bonds, generational wounds and soul-testing landscapes. The result is a richly textured novel that captures the intimacy of smalltown police work, the prickliness of the pioneer spirit and the paradox of a setting at once intimate and expansive, welcoming and hostile, indisputably American and yet profoundly exotic to those in the Lower 48.

From Booklist

Nate Burke, a Baltimore police detective, blamed himself for the death of his partner in a shootout, and the resulting anger and grief sent him into a depression so dark and deep he thought he would never climb back out. Then Nate decides to accept the position of police chief in the small town of Lunacy, Alaska, and it seems as if life is giving him one more chance. Things are certainly different in Lunacy, and Nate begins to enjoy his encounters with the town's colorful inhabitants, especially bush pilot Meg Galloway. The unexpected romance that slowly develops between Nate and Meg becomes quite complicated, however, when the body of Meg's father, who disappeared in 1988, is found in an ice cave, and Nate has to try to keep his new love safe from a cold-blooded murderer who is willing to kill again to keep old secrets safely buried. RITA Award-winning and *New York Times* best-selling Roberts beautifully captures the rugged splendor of Alaska, and her cast of uniquely endearing secondary characters adds just the right touch of quirky humor to her splendidly entertaining, sexy, and suspenseful romance about two tough yet vulnerable people. *John Charles*

Review

“While Alaska is an unfamiliar setting for a Roberts novel, the song she sings here remains—happily for fans of the romantic suspense genre—the same.”—*The New York Times*

“[An] engaging mix of suspense and romance.”—*The Seattle Post-Intelligencer*

“The characters in *Northern Lights*...come alive on the pages...It's well written, has intriguing characters, a tantalizing plot, wit and romance.”—*The Times Union* (Albany, NY)

“The setting is economically but beautifully evoked, the spare style balancing the breathtaking grandeur of Alaska. Pace, dialogue and scenes are cunningly shaped, and the police procedural skillfully dovetails with romance.”—*The Washington Post Book World*

“A richly textured novel that captures the intimacy of smalltown police work, the prickliness of the pioneer spirit and the paradox of a setting at once intimate and expansive, welcoming and hostile, indisputably American and yet profoundly exotic to those in the Lower 48.”—*Publishers Weekly* (starred review)

“Jack London, move over. The Queen of Romance has you in her sights...Roberts doesn’t miss in this wild and woolly tale of love and murder in Alaska.”—*Kirkus Reviews* (starred review)

“The amazingly prolific Roberts continues to entertain and entice readers with good old-fashioned storytelling.”—*Library Journal*

“Roberts beautifully captures the rugged splendor of Alaska, and her cast of uniquely endearing secondary characters adds just the right touch of quirky humor to her splendidly entertaining, sexy, and suspenseful romance about two tough yet vulnerable people.”—*Booklist*

Users Review
