### The Immortal Heights (Elemental Trilogy) By Sherry Thomas

Iolanthe and Titus's mission comes to its thrilling end in the third book in the Elemental Trilogy—perfect for fans of Cinda Williams Chima and Kristin Cashore—which *Publishers Weekly* called "a wonderfully satisfying magical saga" in a starred review and *Kirkus Reviews* said "bids fair to be the next big epic fantasy success."

In a pursuit that spans continents, Iolanthe, Titus, and their friends have always managed to remain one step ahead of the forces of Atlantis. But now the Bane, the monstrous tyrant who bestrides the entire mage world, has issued his ultimatum: Titus must hand over Iolanthe, or watch as his entire realm is destroyed in a deadly rampage. Running out of time and options, Iolanthe and Titus decide to act now and deliver a final blow to the Bane that will end his reign of terror for good.

But getting to the Bane means accomplishing the impossible: finding a way to infiltrate his crypt in the deepest recesses of the most ferociously guarded fortress in Atlantis. And everything is only made more difficult when new prophecies come to light, foretelling a doomed effort. . . .

Iolanthe and Titus will put their love and their lives on the line. But will it be enough?

### Editorial Review

#### From School Library Journal

Gr 9 Up—Thomas does not disappoint in this trilogy conclusion. Telling of the final campaign to defeat the Bane and take back Atlantis, this volume has all the strengths that attracted fans to the first two books: elaborate world-building, a rich historical setting, witty dialogue, down-to-earth characters, and a truly epic romance. There are also some of the weaknesses from the previous entries, and those with less tolerance for detail may find the story slow-going. Still, the characters shine through and the burning romance between Iolanthe (aka Fairfax) and Titus will keep fans turning the pages, especially as they wait to find out once and for all if the prophecy is real and, if so, whether Titus will escape the grim fate foreseen for him. Fantasy lovers looking for a new series should start with the first book and feel assured that if they enjoy it, they will want to read all three. VERDICT A satisfying conclusion to a rich fantasy series.—Eliza Langhans, Hatfield Public Library, MA

#### From the Back Cover

In a pursuit that has spanned continents, Iolanthe, Titus, and their friends have always managed to remain one step ahead of the forces of Atlantis. But now the Bane, the monstrous tyrant who bestrides the entire mage world, has issued his ultimatum: Titus must hand over Iolanthe, or watch as his entire realm is destroyed in a deadly rampage. Running out of time and options, Iolanthe and Titus must act decisively to deliver a final blow to the Bane, ending his reign of terror for good.

However, getting to the Bane means accomplishing the impossible—finding a way to infiltrate his crypt in the deepest recesses of the most ferociously guarded fortress in Atlantis. And everything is only made more difficult when new prophecies come to light, foretelling a doomed effort. . . .

Iolanthe and Titus will put their love and their lives on the line. But will it be enough?
