The Japanese Colonial Empire, 1895-1945 From Ramon H Myers

These essays, by thirteen specialists from Japan and the United States, provide a comprehensive view of the Japanese empire from its establishment in 1895 to its liquidation in 1945. They offer a variety of perspectives on subjects previously neglected by historians: the origin and evolution of the formal empire (which comprised Taiwan, Korea, Karafuto, the Kwantung Leased Territory, and the South Seas Mandated Islands), the institutions and policies by which it was governed, and the economic dynamics that impelled it. Seeking neither to justify the empire nor to condemn it, the contributors place it in the framework of Japanese history and in the context of colonialism as a global phenomenon. Contributors are Ching-chih Chen, Edward I-te Chen, Bruce Cumings, Peter Duus, Lewis H. Gann, Samuel Pao-San Ho, Marius B. Jansen, Mizoguchi Toshiyuki, Ramon H. Myers, Mark R. Peattie, Michael E. Robinson, E. Patricia Tsurumi, Yamada Sabur?, Yamamoto Y?zo?.

Editorial Review

Review

"The essays should be read by all students of modern international history; henceforth, no historian will be able to plead linguistic handicaps as an excuse for failing to incorporate the Japanese experience into a serious analysis of modern colonialism and imperialism."--**Akira Iriye, *International History Review***

Users Review

From reader reviews:

Maria Abel:

Do you one of people who can't read enjoyable if the sentence chained in the straightway, hold on guys that aren't like that. This The Japanese Colonial Empire, 1895-1945 book is readable through you who hate the straight word style.
