## **The Tao of Physics: An Exploration of the Parallels Between Modern Physics and Eastern Mysticism** By Fritjof Capra (Author)

After a quarter of a century in print, Capra's groundbreaking work still challenges and inspires. This updated edition of The Tao of Physics includes a new preface and afterword in which the author reviews the developments of the twenty-five years since the book's first publication, discusses criticisms the book has received, and examines future possibilities for a new scientific world.
