### Bedtime in the Meadow (Padded Board Books) By Stephanie Shaw

It's time for the animals in the meadow to find their way back home to sleep. Butterfly rests on a cattail, dragonflies settle on leaves, and bees gather in their hive. Families of foxes, ducks, and rabbits cuddle close for slumber. Rhyming text and soft, inviting illustrations make this an ideal bedtime read.

### Editorial Review

#### Review

*Dark swirls with brightly colored animals and insects represent what a sleepy meadow must be like. Soft rhyme sounds like a whisper as it rolls off the tongue. The subtle details of the meadow will have toddlers learning new objects, animals and insects each time the story is read. This is also a great story for bonding between parent and child.* Kirsti Bernard

#### About the Author

Stephanie has lived in Oregon her entire life. She loves rain, never uses an umbrella and has plenty of weather-related excuses to stay indoors to read and write.

Although she often has a gritty mystery on her nightstand, Stephanie remains loyal to her first literary love: picture books. She believes that picture books fulfill basic needs such as comfort, imagination and humor for both children and adults.

Stephanie holds A Bachelor of Science Degree in Education and a Master of Arts Degree in Counseling Psychology. Her career has included being a teacher of children with severe emotional disabilities, children's counseling and school administration.

Her books Bedtime In The Meadow (Tiger Tales, 2013) and Under the Sleepy Stars (Tiger Tales, 2015) are lyrical and sweet; they are perfect for the nursery.

Her picture books include A COOKIE FOR SANTA (Sleeping Bear Press, 2014) and THE LEGEND OF THE BEAVER'S TAIL (Sleeping Bear Press, 2015). Stephanie knows what children love, what gives them comfort and what makes them laugh.

And she loves the fact that reading is not weather-dependent.
