### Imperium: A Novel of Ancient Rome By Robert Harris

From the bestselling author of *Fatherland* and *Pompeii*, comes the first novel of a trilogy about the struggle for power in ancient Rome.

In his “most accomplished work to date” (*Los Angeles Times*), master of historical fiction Robert Harris lures readers back in time to the compelling life of Roman Senator Marcus Cicero. The re-creation of a vanished biography written by his household slave and righthand man, Tiro, *Imperium* follows Cicero’s extraordinary struggle to attain supreme power in Rome.

On a cold November morning, Tiro opens the door to find a terrified, bedraggled stranger begging for help. Once a Sicilian aristocrat, the man was robbed by the corrupt Roman governor, Verres, who is now trying to convict him under false pretenses and sentence him to a violent death. The man claims that only the great senator Marcus Cicero, one of Rome’s most ambitious lawyers and spellbinding orators, can bring him justice in a crooked society manipulated by the villainous governor. But for Cicero, it is a chance to prove himself worthy of absolute power. What follows is one of the most gripping courtroom dramas in history, and the beginning of a quest for political glory by a man who fought his way to the top using only his voice—defeating the most daunting figures in Roman history.

### Editorial Review

From Publishers Weekly

Bestselling British author Harris (*Pompeii*; *Enigma*) returns to ancient Rome for this entertaining and enlightening novel of Marcus Cicero's rise to power. Narrated by a household slave named Tiro, who actually served as Cicero's "confidential secretary" for 36 years, this fictional biography follows the statesman and orator from his early career as an outsider—a "new man" from the provinces—to his election to the consulship, Rome's highest office, in 64 B.C. Loathed by the aristocrats, Cicero lived by his wits in a tireless quest for imperium—the ultimate power of life and death—and achieves "his life's ambition" after uncovering a plot by Marcus Crassus and Julius Caesar to rig the elections and seize control of the government. Harris's description of Rome's labyrinthine, and sometimes deadly, political scene is fascinating and instructive. The action is relentless, and readers will be disappointed when Harris leaves Cicero at the moment of his greatest triumph. Given Cicero's stormy consulship, his continuing opposition to Julius Caesar and his own assassination, readers can only hope a sequel is in the works. Until then, this serves as a superb first act. *350,000 announced first printing; 10-city author tour. (Sept.)*

From School Library Journal

Adult/High School—The tumultuous history of Rome from 79 to 64 B.C. comes alive in this fictional biography of Marcus Tullius Cicero, the politician and superb orator who rose to the empire's highest office after starting as an outsider from the provinces. His first legal case drew him into a long battle with powerful Gaius Verres, the dangerously corrupt governor of Sicily. Cicero displayed his wit and talent for oration and strategy to triumph over Verres and other opponents in high-profile cases. Harris has written a fast-paced tale, the first part of a trilogy. He examines the full spectrum of Roman society, including its dark side of corruption, class divisions, betrayal, and cruelty. Cicero, who sought imperium, or ultimate power of the state, is portrayed as a sympathetic figure whose allegiance was to the idea of Republic. The author paints a vivid picture of everyday life, and the courtroom dramas are, at times, riveting. Readers will recognize other famous Romans who pop up in the story, including Julius Caesar and Pompey. They may also recognize the timelessness of the pursuit of power.—*Susanne Bardelson, Kitsap Regional Library, WA*

From [Bookmarks Magazine](#)

Quoting extensively from the extant works of Cicero, Robert Harris makes much of his most famous political battles (sometimes drawing awkward parallels to present-day events) and his search for a sufficiently wealthy and well-placed wife. Tiro is a good choice of narrator: in addition to his historical qualifications, he has reason to ask questions that help explain the plot. Except for the *Pittsburgh Post-Gazette*, which expressed an utter lack of excitement over a slow plot, critics generally agreed that *Imperium* is a compelling portrayal of a man and a place 2,000 years gone, made relevant and interesting for modern-day readers.

### Users Review

From reader reviews:

**Louise Schmidt:**

Nowadays reading books become more than want or need but also be a life style. This reading practice give

you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want send more knowledge just go with education books but if you want experience happy read one having theme for entertaining for instance comic or novel. The actual Imperium: A Novel of Ancient Rome is kind of reserve which is giving the reader unforeseen experience.

**Victor Willis:**

Reading a book tends to be new life style in this particular era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or their experience. Not only situation that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some investigation before they write to the book. One of them is this Imperium: A Novel of Ancient Rome.

**Jeffrey David:**

Spent a free time to be fun activity to do! A lot of people spent their leisure time with their family, or their own friends. Usually they performing activity like watching television, likely to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Could possibly be reading a book is usually option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the book untitled Imperium: A Novel of Ancient Rome can be good book to read. May be it is usually best activity to you.

**Gerald Velasco:**

Your reading 6th sense will not betray anyone, why because this Imperium: A Novel of Ancient Rome book written by well-known writer whose to say well how to make book which might be understand by anyone who else read the book. Written throughout good manner for you, still dripping wet every ideas and writing skill only for eliminate your own hunger then you still hesitation Imperium: A Novel of Ancient Rome as good book not simply by the cover but also by the content. This is one e-book that can break don't ascertain book by its deal with, so do you still needing another sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.
