### Phi:a Voyage from the Brain to the Soul (Chinese Edition) By Giulio Tononi

Giulio Tononi is one of the most creative and the most influential neurologists in the world nowadays. Tononi's way of exploring consciousness is different from those of the others, which is that his course of exploring consciousness is narrated by Galileo who used to pave the way for the objectivity of science and devoted himself to making subjective experience a part of science in the book Phi:a Voyage from the Brain to the Soul.
