**Remembrance** By Michelle Madow

**Lizzie Davenport has been reincarnated from 1815, England... but she doesn't know it until she meets her soul mate from the past and he triggers her memories to gradually return.**

When Drew Carmichael transfers into Lizzie's high school, she feels a connection to him, like she knows him. But for reasons Lizzie doesn't understand, he wants nothing to do with her. Why does he keep pushing her away?

Lizzie knows she should let go of her fascination with Drew, but fighting fate isn't easy, and she's determined to unravel the mysteries of the past... no matter how deadly those secrets might be.

**Inspired by Taylor Swift's "Love Story" and Jane Austen's *Pride and Prejudice*, The Transcend Time Saga is a YA romance with a fantasy / time-travel twist that readers will love!**

"If you were to take a dash of Romeo and Juliet, a handful of Pride and Prejudice, and a pinch of a Disney fairytale, you'd probably come up with Remembrance!"

**-Gilbert & Gomez**

"The love between Drew and Lizzie is everything you could hope to see in a love pairing. It's honest and real. Romantic and agonizing. Sensual and heartfelt. I was drawn into these characters, their relationship, and the world Michelle creates."

**-Addicted to Words Reviews**

"I loved everything about Remembrance. The dialogue was fantastic, the pace moved perfectly, the romance was charming, and the story was brilliant!"

**-Shortie Says**

From the Author

**A Q & A with Michelle Madow, the author of *Remembrance*!**

**Q: What was your inspiration for Remembrance?**

**A:** *Remembrance* was inspired by Taylor Swift's "Love Story" music video. In the video, Taylor sees a guy while walking through campus, and the moment their eyes connect, the scene flashes to the two of them dancing at a beautiful ball dressed in clothes that appear to be from around the year 1815. After watching the video, the characters and story in *Remembrance* started to piece together in my mind. I started to write it down, and ended up with a finished novel!

**Q: How many books will there be in the series?**

**A:** *Remembrance* is the first part of the Transcend Time Saga, which is told in three parts. The second part is a short story called *Vengeance*, and the third part is the novel that concludes the Saga, *Timeless*.

**Q: Where can we find you online?**

**A:** I love communicating with fans online! On my website, michellemadow.com, there are links to my Twitter, Facebook, YouTube, and all my other social media sites. Be sure to add me on there, because I love meeting and talking to people who enjoyed my books!
