Small Favor (The Dresden Files, Book 10) By Jim Butcher

In this novel in Jim Butcher's #1 *New York Times* bestselling series, an old debt puts Chicago wizard Harry Dresden in harms way...

Harry's life finally seems to be calming down. The White Council's war with the vampiric Red Court is easing up, no one's tried to kill him lately, and his eager apprentice is starting to learn real magic. For once, the future looks fairly bright. But the past casts one hell of a long shadow.

Mab, monarch of the Sidhe Winter Court, calls in an old favor from Harry. Just one small favor he can't refuse...one that will trap Harry Dresden between a nightmarish foe and an equally deadly ally, and one that will strain his skills—and loyalties—to their very limits.

And everything was going *so* well for once...

Editorial Review

From Publishers Weekly

Intricate yet accessible plotting and near-Arctic winter weather mark the 10th Harry Dresden adventure from bestseller Butcher (after 2007's *White Night*). A friendly snowball fight opens the Chicago-based wizard-detective's latest tale, but it's not long before a host of more dangerous foes are out for Harry's blood. A missing human mobster is said to be seeking greater influence among Chicago's extranormal population, but the true threat proves both more subtle and of much greater consequence. Butcher smoothly manages a sizable cast of allies and adversaries, doles out needed backstory with crisp efficiency and sustains just the right balance of hair's-breadth tension and comic relief. Encounters with a series of increasingly dangerous Billy Goats Gruff unfold with particular cleverness, and key developments involving Sgt. Karrin Murphy, Harry's reluctant police liaison, will intrigue seasoned fans as well as newcomers attracted by last year's TV adaptation of the series. (Apr.)

Investigating a questionable crime scene, Harry Dresden realizes something much nastier than simple arson is involved. Then the Winter Queen Mab shows up, requesting one of the two favors he still owes her. Soon Harry is embroiled in Fae maneuvering and fighting an even nastier enemy, all because Mab maneuvered him into helping crime boss Marcone. Fortunately, Harry has amazing friends, including some characters he hasn't gotten along with in the past. Packed with the epic battling characteristic of the Dresden Files, promising something fascinating for the next volume, this is another fine combination of mystery and fantasy, seasoned by Harry's appalling sense of humor. --Regina Schroeder

Review

Praise for the Dresden Files

“Think *Buffy the Vampire Slayer* starring Philip Marlowe.”—*Entertainment Weekly*

“Fans of Laurell K. Hamilton and Tanya Huff will love this series.”—*Midwest Book Review*

“Superlative.”—*Publishers Weekly* (starred review)

“One of the most enjoyable marriages of the fantasy and mystery genres on the shelves.”—*Cinescape*

“Butcher...spins an excellent noirish detective yarn in a well-crafted, supernaturally-charged setting. The supporting cast is again fantastic, and Harry's wit continues to fly in the face of a peril-fraught plot.”—*Booklist* (starred review)

“What's not to like about this series?...It takes the best elements of urban fantasy, mixes it with some good old-fashioned noir mystery, tosses in a dash of romance and a lot of high-octane action, shakes, stirs, and serves.”—*SF Site*

“A tricky plot complete with against-the-clock pacing, firefights, explosions, and plenty of magic. Longtime series fans as well as newcomers drawn by the SciFi Channel's TV series based on the novels should find this supernatural mystery a real winner.”—*Library Journal*

“What would you get if you crossed Spenser with Merlin? Probably you would come up with someone very like Harry Dresden, wizard, tough guy and star of [the Dresden Files].”—*The Washington Times*
