What does a student-centered social studies classroom **really** look like? Renowned educator Bil Johnson reveals how to teach social studies so that your students become engaged, active, and responsible learners. This book demonstrates how student-centered strategies can be applied in your classroom. It shows you how to:

- make students' work the focus of what occurs in your classroom
- prepare lesson plans based on what students should know and be able to do
- create a classroom environment revolving around rigorous and creative student activity

Also included are classroom examples of:

- Socratic seminars and other forms of group work such as simulations and role playing
- performances and exhibitions
- projects and portfolios
- other demonstrations of student learning
