Sudden Prey (The Prey Series Book 8) By John Sandford

The crime spree should have ended when Lucas Davenport killed the female bank robber during the shoot-out. But it's just beginning, because the woman's husband isn't about to let Lucas—or anyone he loves—escape retribution.

Editorial Review

Amazon.com Review

Revenge is the engine which powers Sanford's seventh "Prey" thriller starring superslick Minnesota cop Lucas Davenport. When a dangerous female bank robber is killed in a shootout, her even more dangerous husband escapes from prison and begins a campaign of retribution against the families of Davenport and his team. As always with Sandford, excellent writing is the icing on an enjoyable cake. (Other Sandford "Prey" books: **Eyes of Prey, Mind Prey, Night Prey, Rules of Prey, Silent Prey, Winter Prey.**)

From Publishers Weekly

The title tells it true, and applies not only to myriad characters in Sandford's electrifying eighth "Prey" thriller, but also to the novel's readers. From the opening scene, in which series hero, Minneapolis cop Lucas Davenport, and his team stalk and kill a female bank robber, the story will clamp down like a bear trap on all who open its covers. That robber is Davenport's prey, but those beloved by the cop and his men become prey in turn when the slain thief's husband, Dick LaChaise, and his two sidekicks, all ex-bikers with militia mentalities, vow revenge unto death. Davenport, who in his spare time designs computer games that have made him wealthy, soon learns two disturbing facts: that suicidal enemies are close to unstoppable, and that his addiction to this real-life "game" is powerful enough to put even his loved ones at risk. Further problems ensue from the dangerous presence of a crooked cop, and from the refusal by Davenport's lover, a dedicated surgeon, to take up Davenport's offer to seclude her safely. The stakes are high, the characters rich, the action relentless—here's a thriller that will make your hair stand on end. Major ad/promo; Literary Guild, Doubleday Book Club, and Mystery Guild main selections; author tour.

From Library Journal

The eighth Lucas Davenport adventure in John Sandford's "Prey" series (e.g., *Mind Prey*, Putnam, 1995) opens with the Candy LaChaise gang's robbery of a Minnesota credit union. When Candy is ambushed and killed by Davenport and his men, Candy's husband, Dick LaChaise, swears vengeance on the spouses and families of all officers involved. A series of attacks ensue in which spouses are killed at work. With the lives of Davenport's own daughter and his fiancee threatened, he quickly metamorphoses into a hunting machine himself. The reader is privy throughout to the actions and plans of dirty cops and drug dealers, as well as a bumbling and rather endearing side of Dick LaChaise. This tightly wound thriller is action-packed, yet most of the characters are shadowy humans, lacking breath, history, and motivation. Considering the author's popularity, however, most public libraries will want several copies.
