Cloaked By Alex Flinn

I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all.

It all started with the curse. And the frognapping. And one hot-looking princess, who asked me to lead a rescue mission.

There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Because before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Keys.

Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked.

Editorial Review

From School Library Journal

Gr 6-9-Flinn reimagines a fairy-tale world in her latest novel. Teenaged Johnny works as a cobbler in his mother's shoe repair shop in a posh hotel in South Beach. He spends his days with his friend Meg and designs his own line of shoes while dreaming of wealth to free his family from the confines of poverty. Unexpectedly, the striking Princess Victoriana of Aloria comes to the swanky Miami hotel for a royal visit. The super-hot partying princess pleads for Johnny's help in finding her missing brother, and offers of money and a royal marriage convince him to take her seriously—even when she explains that the prince has been turned into a frog. With the aid of a magical cloak and some headphones that allow him to hear animals speak, Johnny embarks on a journey wherein he encounters talking swans, a fox named Todd, and two angry giants. When he lands in hot water with an evil witch bent on destroying him, Meg comes to his rescue. The pair journey from South Beach to Key West, to Europe, and to Manhattan; and in the end, Johnny finds wealth, fame, and true love. Flinn cleverly plays on some lesser-known fairy tales to make this book a fun, romantic adventure with likable characters. Rapid action and amusing situations make it a quick read that will easily entice even reluctant readers.—Tara Kehoe, Plainsboro Public Library, NJ (c) Copyright 2010. A princess, a cobbler, a witch, and modern-day South Beach mash up in Flinn's latest fairy-tale retelling. Johnny works tirelessly in a luxury hotel's shoe-repair shop, dreaming of becoming a high-end shoe designer. He sees an opportunity to get his shoes on famous feet when a hard-partying European princess moves in. Victoriana notices Johnny, too, and thinks he is just the one to find her brother, Prince Philippe, who was turned into a frog as blackmail for Victoriana's hand in marriage. She gives Johnny a fistful of cash, a transporting cloak, and an earpiece that allows him to understand animals that used to be human, which are a lot more plentiful in Florida than he ever imagined. Instead of a well-known classic, several lesser-known tales combine here to give the book a nice blend of the familiar (the frog who needs a kiss to transform) and the novel (how will a puny kid best two giants?). Readers will keep turning pages to figure out just how many transmogrifications Johnny can resolve, and whose dreams will come true. Grades 6-10. —Heather Booth

About the Author

Alex Flinn loves fairy tales and is the author of the #1 *New York Times* bestselling *Beastly*, a spin on *Beauty and the Beast* that was named a VOYA Editor's Choice and an ALA Quick Pick for Reluctant Young Adult Readers. *Beastly* is now a major motion picture starring Vanessa Hudgens. Alex also wrote *A Kiss in Time*, a modern retelling of *Sleeping Beauty*; *Cloaked*, a humorous fairy-tale mash-up; *Bewitching*, a reimagining of fairy-tale favorites, including *Hansel and Gretel*, *Cinderella*, *The Princess and the Pea*, and *The Little Mermaid*, all told by Kendra, the witch from *Beastly*; *Towering*, a darkly romantic take on *Rapunzel*; and *Mirrored*, a fresh spin on *Snow White*. Her other books for teens include *Breathing Underwater*, *Breaking Point*, *Nothing to Lose*, *Fade to Black*, and *Diva*. She lives in Miami with her family. Visit her online at www.alexflinn.com.

Users Review

From reader reviews:

Richard Martinez:

In other case, little individuals like to read book Cloaked. You can choose the best book if you'd prefer reading a book. So long as we know about how is important any book Cloaked. You can add information and of course you can around the world by a book. Absolutely right, mainly because from book you can recognize everything! From your country until finally foreign or abroad you will find yourself known. About simple factor until wonderful thing you can know that. In this era, we can open a book or maybe searching by internet system. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's examine.

Christopher Henricks:

The book Cloaked make you feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can to get your best friend when you getting tension or having big problem using your subject. If you can make examining a book Cloaked to become your habit, you can get much more advantages, like add your capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like open up and read a guide Cloaked. Kinds of book are a lot of. It means that, science publication or encyclopedia or other folks. So , how do you think about this reserve?

Kristen Wright:

As people who live in the modest era should be update about what going on or facts even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Cloaked is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Kimberly Dyer:

Reserve is one of source of knowledge. We can add our knowledge from it. Not only for students and also native or citizen have to have book to know the update information of year to be able to year. As we know those books have many advantages. Beside most of us add our knowledge, could also bring us to around the world. By book Cloaked we can get more advantage. Don't you to definitely be creative people? Being creative person must prefer to read a book. Merely choose the best book that appropriate with your aim. Don't possibly be doubt to change your life by this book Cloaked. You can more pleasing than now.
