**FANG Volume 3** By Kyell Gold, K.M. Hirosaki, Whyte Yoté, Mwinzi, Karai Crocuta, Veritas, Graveyard Greg, Stephan von Krieger, Drenthe

FANG is the first and only paperback anthology that collects anthropomorphic fiction from the 'furry' community. Volume 3 is the last to be edited by the founder, Alex Vance, and contains some stories that were submitted before Volume 1 was even released. Response to the first volume was so substantial that some stories had to be saved for a later volume, and now finally there's a place for them. Volume 3 contains anthropomorphic homoeroticism with a fantasy, sword-and-sorcery bent to them. Lonely wizards conjuring fabulous bedmates, a lone tribal wolf reclaiming the respect of his tribe by embarking on a harrowing quest, gay college romance set in a wizarding academy... It's simply magical.
