Making and Manipulating Marionettes By David Currell

Making and Manipulating Marionettes is a superb guide to a craft and performance art that has fascinated audiences for over 2,000 years. Handsomely illustrated throughout, it presents precise instructions for the making of marionettes, both for plays and for acts in the variety tradition. All aspects of marionette design, construction, and control are covered, and there are rare insights into specialized designs and stringing techniques. Contents include an introduction to the marionette tradition and the principles and practicalities of marionette design; advice on materials and methods for carving, modeling, and casting puppet parts; detailed explanations for marionette control, stringing, and manipulation; step-by-step instructions for the construction and jointing of human and animal marionettes; and professional secrets for achieving a wide range of special effects.

Editorial Review

Review

“A remarkable resource for those looking for a serious study of this interesting niche of performance arts.” -- *Choice*

From the Publisher

Making and Manipulating Marionettes is a superb guide to a craft and performance art that has fascinated audiences for over two thousand years. Handsomely illustrated throughout, it presents precise instructions for the making of marionettes, both for plays and for acts in the variety tradition. All aspects of marionette design, construction, and control are covered, and there are rare insights into specialized designs and stringing techniques. Contents include: an introduction to the marionette tradition and the principles and practicalities of marionette design; advice on materials and methods for carving, modeling, and casting puppet parts; detailed explanations for marionette control, stringing, and manipulation; step-by-step instructions for the construction and jointing of human and animal marionettes; and professional secrets for achieving a wide range of special effects.

About the Author

David Currell is widely recognised as a leading authority on puppet theatre. He was a co-founder of the national Puppet Centre and its chairperson for nearly twenty years. He has written numerous books on puppetry but this is his first to focus exclusively upon the marionette, his puppetry specialism since his early teens.

Users Review

From reader reviews:

Corene Albert:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity for spend your time.
