**Philippians (The Anchor Yale Bible Commentaries)** By John Reumann

In *Philippians* John Reumann offers both classical approaches and new methods of understanding this New Testament book. With fresh commentary on the social world and rhetorical criticism, and special focus on the contributions of the Philippian house churches to Paul's work and early Christian mission, Reumann clarifies Paul's attitudes toward and interactions with the Philippians.

Departing from traditional readings of Philippians in light of Acts, Reumann allows Paul to speak in his own right. His three letters from Ephesus shed new light on relationships, and we come to see how he approves some aspects of the dominant "culture of friendship" in Greco-Roman Philippi while disapproving others. He seeks to help the Philippians discern how to be citizens of the heavenly kingdom and also Caesar's state, though there is an undercurrent of "Christ vs. Caesar." Scholars, students, and general readers alike will find much of interest in John Reumann's deeply researched and insightful new volume.

## **Editorial Review**

### **Review**

"Welcome what should be *the* commentary of Philippians for the next generation. . . . The commentary itself is highly detailed and engages vast scholarly literature at every point."—Edgar Krentz, *Currents in Theology and Mission*  
(Edgar Krentz *Currents in Theology and Mission*)

"A fantastic resource for scholars."—Mark Keown, *Colloquium*  
(Mark Keown *Colloquium*)
