Editorial Review

Amazon.com Review

Ray Bradbury's first short story collection is back in print, its chilling encounters with funhouse mirrors, parasitic accident-watchers, and strange poker chips intact. Both sides of Bradbury's vaunted childhood nostalgia are also on display, in the celebratory "Uncle Einar," and haunting "The Lake," the latter a fine elegy to childhood loss. This edition features a new introduction by Bradbury, an invaluable essay on writing, wherein the author tells of his "Theater of Morning Voices," and, by inference, encourages you to listen to the same murmurings in yourself. And has any writer anywhere ever made such good use of exclamation marks!?

Users Review

From reader reviews:

Donovan Houseman:

Have you spare time for the day? What do you do when you have more or little spare time? Sure, you can choose the suitable activity for spend your time. Any person spent their very own spare time to take a go walking, shopping, or went to often the Mall. How about open or maybe read a book eligible The October Country? Maybe it is to be best activity for you. You already know beside you can spend your time along with your favorite's book, you can better than before. Do you agree with their opinion or you have additional opinion?

Christina Fitts:

Book will be written, printed, or illustrated for everything. You can know everything you want by a e-book. Book has a different type. To be sure that book is important issue to bring us around the world. Close to that you can your reading talent was fluently. A reserve The October Country will make you to become smarter. You can feel much more confidence if you can know about almost everything. But some of you think in which open or reading some sort of book make you bored. It isn't make you fun. Why they might be thought like that? Have you seeking best book or acceptable book with you?

Aletha Bassett:

Here thing why this particular The October Country are different and dependable to be yours. First of all looking at a book is good but it really depends in the content of it which is the content is as tasty as food or not. The October Country giving you information deeper as different ways, you can find any publication out there but there is no publication that similar with The October Country. It gives you thrill examining journey, its open up your personal eyes about the thing in which happened in the world which is maybe can be happened around you. You can easily bring everywhere like in park, café, or even in your way home by train. Should you be having difficulties in bringing the branded book maybe the form of The October Country in e-book can be your alternate.

William Rockwood:

Nowadays reading books be than want or need but also turn into a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with knowledge books but if you want feel happy read one with theme for entertaining for instance comic or novel. The actual The October Country is kind of publication which is giving the reader capricious experience.
