### **Editorial Review**

#### **From the Back Cover**

In February of 1995 The Rules was quietly published - and dating has never been the same since! Now here comes The Rules II, the book every Rules Girl has been waiting for, the book you helped write! Drawing on the most commonly asked questions from the thousands of letters and calls to The Rules hotline they received, authors Ellen Fein and Sherrie Schneider show you how to do The Rules in even the most difficult - and tempting! - situations. Here are new Rules tips for weeding out Mr. Wrong - and sorting out your own feelings; recognizing when a relationship is really a fantasy; dating a man who is separated; talking to your therapist - yes, in some cases, you can tell your therapist you're doing The Rules; dating a high-profile man or a celebrity; dating when you yourself are very wealthy/Successful/famous; giving him gifts; getting him to the altar; and much more, including how The Rules apply to same-sex relationships, older women, on-line dating, long-distance relationships, getting back an ex, having office romances. How does a Rules Girl handle a long-distance relationship? An office romance? A weekend invitation from a high-profile man or celebrity? How do The Rules apply to on-line dating and personal ads? Are The Rules different for mature women? Can The Rules benefit people in same-sex relationships? Friendships? Family relationships? Can a Rules Girl date her best buddy if she's attracted to him - rekindle the flame with an ex? The Rules II answers these questions and more! The sequel to the #1 coast-to-coast bestseller that revolutionized modern dating, it was written in response to the thousands of letters and telephone calls authors Ellen Fein and Sherrie Schneider received from readers doing The Rules. Packed with expanded, more detailed do's and don'ts; encouraging, stick-to-it advice; scores of new tips; and success stories from women like you; it's your latest guide to the way of life that leads to self-respect, self-esteem, and, most of all, a happy and healthy marriage...

### **Users Review**

#### **From reader reviews:**

#### **Vera Velez:**

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that? Only you can be answered for that problem above. Every person has diverse personality and hobby for each and every other. Don't to be obligated someone or something that they don't want do that. You must know how great and also important the book The Rules II. All type of book would you see on many resources. You can look for the internet sources or other social media.

#### **Nikki Kirkland:**

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is inside former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take The Rules II as your daily resource information.

**Marjorie Calhoun:**

Beside that The Rules II in your phone, it can give you a way to get nearer to the new knowledge or information. The information and the knowledge you may got here is fresh from your oven so don't always be worry if you feel like an outdated people live in narrow town. It is good thing to have The Rules II because this book offers to you personally readable information. Do you occasionally have book but you rarely get what it's exactly about. Oh come on, that won't happen if you have this in your hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. Use you still want to miss the item? Find this book in addition to read it from now!

**Justin Mireles:**

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from a book. Book is created or printed or illustrated from each source in which filled update of news. In this modern era like right now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the The Rules II when you needed it?
