The Second Siege: Book Two of The Tapestry By Henry H. Neff

A fast-paced, genre-blending adventure—now in paperback!

The Tapestry series continues to weave threads of fantasy, mythology, science fiction, and mystery into a wholly original adventure that appeals to fans of everything from Harry Potter to Lord of the Rings to The X-Men. Genre-blending and fully illustrated, The Tapestry novels have caught the attention of middle-grade and young adult readers alike—and the series is only getting bigger.

In this second book of the series, grave forces are converging to seize control of the Book of Thoth, a hidden artifact whose pages hold the key to creating—or unraveling—the very threads of existence. Max McDaniels and David Menlo embark on a quest to protect the book from the demon Astaroth, who would exploit its secrets with dire consequence. And with Astaroth free after centuries of imprisonment, the world outside Rowan's gates has already become hostile.

Far from home, cut off behind enemy lines, Max and his allies must journey across Europe, descend into the fabled Frankfurt Workshop, brave the tangled corners of the Black Forest . . . and cross beyond the veils of our very world.

"After devouring this title, young fans will be clamoring for more."—*Kirkus Reviews*

Editorial Review

From School Library Journal

ISBN:9780375938962 Grade 5–8—Fans of *The Hound of Rowan* (Random, 2007) will love this sequel. Those who haven't read the first book will simply be puzzled. In their second year at Rowan Academy, Max McDaniels and his roommate David Menlo, a mystic, discover that they must live with the Witches to fulfill a pact made years before they were born. To keep them and the Book of Thoth safe from the demon Astaroth and in the hands of Rowan agents, they are "kidnapped" by an ally. While on the run, the Red Branch offers to activate Max to be its newest agent. Initially, Max demurs but after dodging danger in Europe, finding his mother in the land of the Sidh, discovering his real father's identity, and having several harrowing encounters with Astaroth, he embraces his identity as the reincarnation of Cuchulain and joins as a full-fledged agent. *The Second Siege* is chock-full of magic, myth, and adventure, and has some fun and interesting characters and an intense, engaging plot. That said, without the background information from the first book, it will be hard for readers to follow.—Lisa Prolman, Greenfield Public Library, MA

It's Max McDaniels' second year at Rowan Academy, a contemporary American boarding school where students are trained to fight against supernatural foes. He and his sorcerer roommate, David, along with several others, human and non, are embroiled in a quest to stop the demon Astaroth from finding the Book of Thoth, which holds the key to all creation. As governments fall to Astaroth, Max and David travel across Europe and beyond in search of the book's location. Proud, emotional Max and frail, calculating David suffer realistic setbacks and humbling experiences that change them, while Astaroth is delightful in his sly, polite wickedness. Neff's writing is infused with history and myth, and a sense of adventure: add well-rounded characters, and this makes for a captivating read. New readers should start with the first book, *The Hound of Rowan* (2007) as this one doesn't look back, but the dark conclusion and its potential consequences will ensure an eager readership for the third. Although Neff will not escape Harry Potter comparisons, in this volume he moves into his own distinctive voice. Grades 6-9. --Krista Hutley
