### Editorial Review

#### Amazon.com Review

In a book that serves as a both a sequel to *Dead Man's Walk* and a prequel to the beloved *Lonesome Dove*, McMurtry fills in the missing chapters in the Call and McCrae saga. It is a fantastic read, in many ways the best and gutsiest of the series. We join the Texas Rangers in their waning Indian-fighting years. The Comanches, after one last desperate raid led by the fearsome-but-aging Buffalo Hump, are almost defeated, though Buffalo Hump's son, Blue Duck, still terrorizes the relentless flow of settlers and lawmen. As Augustus and Woodrow follow one-eyed, tobacco-spitting Captain Inish Scull deep into a murderous madman's den in Mexico, their thoughts turn toward the end of their careers and the women they love in remarkably different ways back in Austin. What's amazing about McMurtry's West is that he sees beyond the romance. Neither his Indians, his cowboys, his gunslingers, nor his women act the way they did in either Zane Grey novels or John Wayne movies. Incredible beauty and lightning-quick violence are the bookends of his West, but it is the in-between moments of suffering and boredom where McMurtry shines. The suffering is poignant and heart-rending; the boredom tempered with doses of Augustus McCrae's sharp humor. Don't be surprised if you find yourself crying and laughing on the same page.

#### From Library Journal

This prequel to the classic *Lonesome Dove* (LJ 7/85) follows Woodrow Call and Augustus McCrae through their years as Texas Rangers as they create legends for themselves fighting the Comanche to open west Texas for settlement. For 15 years, the Rangers play cat-and-mouse games with Buffalo Hump, Kicking Wolf, and other chiefs as they pursue, attack, and retaliate their way through the Comanche wars. Ironically, Blue Duck, Gus McCrae's nemesis in *Lonesome Dove*, is Buffalo Hump's son, carrying on the tradition started by his father, even though father and son hated one another. Considered together, *Dead Man's Walk* (LJ 4/15/95), *Comanche Moon*, and *Lonesome Dove* create a monumental work that has few equals in current literature. Essential for all libraries.

#### From Kirkus Reviews

McMurtry returns to reliable form in this follow-up to *Dead Man's Walk* (1995) that serves as a second prequel to his Texas epic *Lonesome Dove* (1985). As the great Comanche warrior Buffalo Hump slowly succumbs to weakness and old age, a younger generation both of Texans and Comanches rises to power. Buffalo Hump's son, Blue Duck, breaks away from his father to form a band of renegades who prefer the Texans' guns to the bow and arrow and their own whims to traditional ways. Events are set in motion by the theft of a great warhorse belonging to Harvard-educated adventurer and Texas ranger, Captain Inish Scull. The thief, a Comanche, resolves to undertake a mad display of heroism by presenting the animal to the Mexican warlord Ahumado (the ``Black Vaquero'') renowned for the creative methods of torture he visits on anyone foolish enough to cross him. Captain Scull, unhinged by the incident, sets off in pursuit and falls into Ahumado's hands. A brutal Comanche raid on Austin at the same time spurs the rise of two tough, bright, experienced young rangers: affable, whiskey- and whore-obsessed Augustus McCrae, who's nevertheless steadfast in his devotion to Clara Forsythe, an independent-minded shopkeeper who breaks his heart by marrying a more stable man; and dour, sensible, lethal Woodrow Call, who can't quite bring himself to acknowledge his illegitimate son or marry the sweet-natured prostitute with whom he has a longstanding relationship. The two battle-hardened friends sort out their troubles with women, tangle with the Comanches and Ahumado, and quietly become (reluctant) legends on the frontier. While the last third turns workmanlike in its efforts to set up the opening situation of *Lonesome Dove*, McMurtry nevertheless delivers a generally

fine tableau of western life, full of imaginative exploits, convincing historical background, and characters who are alive. Your knowledge can inspire others, make them reading a guide.

#### **Victor Elias:**

Exactly why? Because this Comanche Moon is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I were being you I will go to the publication store hurriedly.

#### **Donald Edmond:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and also

can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Comanche Moon can make you truly feel more interested to read.
