Flashpoint (The Guardian Series) (Volume 1) By Indigo Wilder

Caia is a fresh college graduate who has the power to start a fire with the snap of her fingers. She isn't ready to grow up and settle down in real life. But ready or not, real life is coming for her. When out-of-towner Brandt bumps into her too many times to be coincidence, Caia begins to realize that her parents might not be who they say they are. They have a secret, one they are willing to die to protect. Ash is a Guardian, genetically enhanced to be stronger, faster, and smarter than an ordinary human. Cool, collected, and highly trained, Ash is one of the Agency's best. But when a long time missing Guardian draws the attention of the Guild, an organization of powerful rune masters, things get personal for Ash. Very personal. Caia is swept up into Ash's world of super soldiers and rune masters and propelled toward an uncertain future. But one thing is always certain when playing with fire - someone is bound to get burned.
