**Innocent Blood: The Order of the Sanguines Series** By James Rollins, Rebecca Cantrell

*New York Times* bestselling authors James Rollins and Rebecca Cantrell combine their talents in a gothic tale about an ancient order and the hunt for a miraculous book known only as . . . The Blood Gospel.

An earthquake in Masada, Israel, kills hundreds and reveals a tomb buried in the heart of the mountain. A trio of investigators--Sergeant Jordan Stone, a military forensic expert; Father Rhun Korza, a Vatican priest; and Dr. Erin Granger, a brilliant but disillusioned archaeologist--are sent to explore the macabre discovery, a subterranean temple holding the crucified body of a mummified girl.

But a brutal attack at the site sets the three on the run, thrusting them into a race to recover what was once preserved in the tomb's sarcophagus: a book rumored to have been written by Christ's own hand, a tome that is said to hold the secrets to His divinity. The enemy who hounds them is like no other, a force of ancient evil directed by a leader of impossible ambitions and incalculable cunning.

From crumbling tombs to splendorous churches, Erin and her two companions must confront a past that traces back thousands of years, to a time when ungodly beasts hunted the dark spaces of the world, to a moment in history when Christ made a miraculous offer, a pact of salvation for those who were damned for eternity.

Here is a novel that is explosive in its revelation of a secret history. Why do Catholic priests wear pectoral crosses? Why are they sworn to celibacy? Why do the monks hide their countenances under hoods? And why does Catholicism insist that the consecration of wine during Mass results in its transformation to Christ's own blood? The answers to all go back to a secret sect within the Vatican, one whispered as rumor but whose very existence was painted for all to see by Rembrandt himself, a shadowy order known simply as the Sanguines.

In the end, be warned: *some books should never be found, never opened--until now.*

### Editorial Review

From [Booklist](#)

In this sequel to *The Blood Gospel* (2013), archaeologist Erin Granger receives a message from Cardinal Bernard, leader of the Order of Sanguines, a group of vampires operating within the Vatican, whose thirst for human blood is kept in check by the blood of Christ. The message leads Erin back into the ancient war between the Sanguines and the Strigoi, a rival group of vampires whose interests lie in a more evil direction than the Sanguines'. Now a new villain has surfaced, a man who calls himself Judas Iscariot—and who may indeed be the biblical Judas. To save the world from Armageddon, Erin reluctantly joins forces with another entity whose evil nature is not to be trifled with. This collaboration between Rollins, the well-known author of the Sigma Force thrillers (contemporary stories with ties to ancient riddles), and Cantrell, author of the atmospheric Hannah Vogel mysteries (set in Berlin in the 1930s), should appeal to their fans, but also to readers who like an action-packed, epic-size story portraying the battle between Good and Evil. --David Pitt

### Review

"There's a touch of genius...in pairing a Dan Brown-ian hidden codex mystery with a vampire tale." - Kirkus Reviews

"A thriller of dark subterranean complexity, rather like a rare, vintage red wine." (NY Journal of Books)

"A combination of religious conspiracy and another popular genre, and to reveal more about the concept behind this engaging novel would be a crime." (Washington Post on *THE BLOOD GOSPEL*)

"There's a touch of genius... in pairing a Dan Brown-ian hidden-codex mystery with a vampire tale. Let that suffice lest spoilers ruin the fun, except to say that the blood of the title is no accident." (Kirkus on *INNOCENT BLOOD*)

"[A]nother darkly hypnotic hybrid, and supremely effective, horror-thriller... A harrowing tale that's truly epic in scope. Not to be missed." (Providence Journal on *INNOCENT BLOOD*)

"[C]aptures the imagination and leaves the reader panting in anticipation for the next adventure." (New York Journal of Books on *INNOCENT BLOOD*)

"[An] intense and shocking thriller...filled with history, espionage, love, revenge, and the power of forgiveness." (Library Journal on *INNOCENT BLOOD*)

From the Author

### About James Rollins

JAMES ROLLINS is a #1 New York Times bestselling author of international thrillers that have been translated into more than forty languages. Known for unveiling unseen worlds, scientific breakthroughs, and historical secrets, Rollins' knack for breakneck pacing and stunning originality has been hailed by critics and embraced by scores of millions of readers around the world.

### The Critics Rave

The New York Times says that his "roguish charm comes from his efforts to persuade readers the story is credible [through] real-life sources for his novel's science, history and geography." Rollins' rare blend of action, suspense, and knowledge was also mentioned by the Huffington Post, which stated that "After Crichton passed away in 2008 he clearly passed the baton to James Rollins, who like Crichton, is a renaissance man."

NPR calls his work "adventurous and enormously engrossing..." and the New York Journal of Books had this to say: "If you're a fan of smart, entertaining adventure fiction, this is your summer beach read writ large....All the science, all the history, and all the locations are masterfully intertwined. The characters are multi-dimensional. And the story is, well, a corker."

### **The Story Teller's Story**

As a boy immersed in the scientific adventures of Doc Savage, the wonders of Jules Verne and H.G. Wells, and pulps such as *The Shadow*, *The Spider*, and *The Avenger*, James Rollins decided he wanted to be a writer. He honed his storytelling skills early, spinning elaborate tales that were often at the heart of pranks played on his brothers and sisters.

Before he would set heroes and villains on harrowing adventures, Rollins embarked on a career in veterinary medicine, graduating from the University of Missouri and establishing a successful veterinary practice. This hands-on knowledge of medicine and science helps shape the research and scientific speculation that set James Rollins books apart.

### **Explosive Page-Turning Adventures**

The exotic locales of James Rollins novels have emerged as a hybrid between imagination, research, and his extensive travels throughout the United States and Europe, as well as New Zealand, the South Pacific, China, Southeast Asia, Africa, Australia, and South America. Recent jaunts include book tours and stops across the country and several European nations to give talks, seminars, and media interviews. In recent years, much of James' travel has involved meeting readers in small and large groups, at writing and fan conferences, and even aboard seagoing "seminars." James' mentoring and coaching skills have made him a sought after writing instructor and guest speaker for workshops, symposia, conventions, and other forums throughout the country.

James Rollins is the author of nine thrillers in the bestselling Sigma Force series (*Sandstorm*, *Map of Bones*, *Black Order*, *The Judas Strain*, *The Last Oracle*, *The Doomsday Key*, *The Devil Colony*, *Bloodline*, and *The Eye of God*); six individual adventure thrillers; and the Jake Ransom middle grade series (*Jake Ransom and the Skull King's Shadow*, *Jake Ransom and the Howling Sphinx*.)

### **Users Review**

#### **From reader reviews:**

#### **Troy Munoz:**

This *Innocent Blood: The Order of the Sanguines Series* are generally reliable for you who want to become a successful person, why. The explanation of this *Innocent Blood: The Order of the Sanguines Series* can be on the list of great books you must have is definitely giving you more than just simple looking at food but feed you with information that perhaps will shock your previous knowledge.
