IT Consulting Essentials: A Professional Handbook By Dave Faulise

IT Consulting Essentials is a compilation of example work products that Dave Faulise developed, refined, re-used, and shared with other consultants to help them help their clients. The book also includes numerous client stories that describe how Dave created and used many of these examples. As one of his clients describes it, this book is the “See Spot Run” version of how to create and operate an IT consulting practice.

Editorial Review

About the Author

Dave Faulise was a professional consultant for more than 40 years. He started consulting with Price Waterhouse, later moved to KPMG where he became a partner, and then co-founded his own practice, Faulise, Janda & Docherty. His clients represent a broad range of industries including banking, insurance, financial services, health care, mining, manufacturing, distribution, retail, wholesale, government and education. Dave's consulting assignments have included program management, business and enterprise architecture, as an interim director, and as an interim vice-president. He has developed requirements, written RFPs, negotiated contracts and implemented complex systems. In short, Dave has been around the block more than a few times and is clearly qualified to write about the business of IT consulting. Dave lives with his wife Joan in Bloomington, Minnesota. They both enjoy traveling, volunteering and spending time with their children and grandchildren.

Users Review

From reader reviews:

Craig Harrison:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of book you read, if you want drive more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining for example comic or novel. Often the IT Consulting Essentials: A Professional Handbook is kind of reserve which is giving the reader capricious experience.
