Editorial Review

Review

"A standout tale of violence, intrigue, ambition, and hope. ... Corey cranks up the tension relentlessly in this fast-paced story of heroes and rebels fighting for freedom. With enough thrills and intrigue for three Hollywood blockbusters, the novel stands alone nicely, making it easy for new readers as well as diehard series fans to dive right in."**Publishers Weekly** on *Nemesis Games*

"The science fictional equivalent of *A Song of Ice and Fire*...only with fewer beheadings and *way* more spaceships."**NPR Books** on *Cibola Burn*

"Combining an exploration of real human frailties with big sf ideas and exciting thriller action, Corey cements the series as must-read space opera."**Library Journal (starred review)** on *Cibola Burn*

"The *Expanse* series is the best space opera series running at full tilt right now, and *Cibola Burn* continues that streak of excellence."**io9** on *Cibola Burn*

"Corey's splendid fourth *Expanse* novel blends adventure with uncommon decency."**Publishers Weekly (starred review)** on *Cibola Burn*

"A politically complex and pulse-pounding page-turner.... Corey perfectly balances character development with action... series fans will find this installment the best yet."**Publishers Weekly** on *Abaddon's Gate*

"It's been too long since we've had a really kickass space opera. *LEVIATHAN WAKES* is interplanetary adventure the way it ought to be written, the kind of SF that made me fall in love with the genre way back when, seasoned with a dollop of horror and a dash of noir. Jimmy Corey writes with the energy of a brash newcomer and the polish of a seasoned pro. So where's the second book?"**George R.R. Martin** on *Leviathan Wakes*

"An excellent space operatic debut in the grand tradition of Peter F. Hamilton."**Charles Stross** on *Leviathan Wakes*

"High adventure equaling the best space opera has to offer, cutting-edge technology, and a group of unforgettable characters bring the third installment of Corey's epic space drama (after *Caliban's War* and *Leviathan Wakes*) to an action-filled close while leaving room for more stories to unfold. Perhaps one of the best tales the genre has yet to produce, this superb collaboration between fantasy author Daniel Abraham and Ty Franck should reawaken an interest in old-fashioned storytelling and cinematic pacing. Highly recommended."**Library Journal** on *Abaddon's Gate*

"Literary space opera at its absolute best."**io9.com** on *Abaddon's Gate*

"[T]he authors are superb with the exciting bits: Shipboard coups and battles are a thrill to follow."**Washington Post** on *Abaddon's Gate*

"Riveting interplanetary thriller."**Publishers Weekly** on *Leviathan Wakes*
