Editorial Review

From the Publisher

Whether you're an absolute beginner or a seasoned professional, Oman Off-Road will help you discover remarkable drives through the Arabian Peninsula's varied landscape. With unique satellite imagery and foolproof step-by-step directions, the map pages are the clearest available. The GPS coordinates of each route are included for serious adventurers. There's also useful information on route highlights such as historical sites, waterfalls and pools, camping spots and nearby visitor attractions. Vital driving and safety advice is included, while an expanded activities section now covers hiking, biking, swimming and camping, and for the first time, off-road motorbiking. A comprehensive nature section has details of the flora and fauna you may come across on your travels.

Users Review

From reader reviews:

Erin Marshall:

What do you regarding book? It is not important together with you? Or just adding material when you want something to explain what the ones you have problem? How about your free time?
