One New Man Bible: Revealing Jewish Roots and Power (Hardcover) By William J. Morford

The Jewish Roots of Christianity come to life in The One New Man Bible. This translation brings out the power of the Hebrew and Greek languages that has commonly been omitted from traditional English translations. **Ephesians 2:14-16:** *For He is our peace, the One Who has made both things into one and Who has loosed the dividing wall of the fence, cause of the enmity to His flesh, by His nullifying the tradition of the commandments by decrees, so that He could create the two, Jewish and non-Jewish, into One New Man, establishing peace so He could reconcile both in one body to God through the cross, as God killed their enmity by means of Y'shua.*

- Helps the Church understand and appreciate its Hebraic Roots, and finally recognize that Y'shua (Jesus) was born Jewish, that He grew up Jewish, and that He is the same today as He was then. (Hebrews 13:8)
- Readers will understand that the Scriptures Y'shua, and every New Testament author, embraced (irreverently called Old Testament by the Church) are alive and relevant for believers today.
- As a proof of Gods perfect plan for His perfect Word, readers will discover that Matthew flows, as if a continuous stream, out of the book of Chronicles.
- The One New Man Bible has been written to help present day believers move toward Gods perfect plan to create One New Man, bringing Jewish and non-Jewish together.
- The Hebrew Scriptures are in the traditional Jewish book order, and although different from the Christian book order, it is easy to learn the sequence.
- This Bible is very easy to read through, Genesis to Revelation.
- Scripture translated with the power and meaning of the original language intact comes alive!
- Includes more than 4,000 footnotes.
- Massive 170 page Glossary.
- Describes various first century Jewish customs and explains Hebrew Scriptures.
- Many ancient and modern Jewish sources were studied to bring the Scriptures to life.
- Gives insight into the thinking of the New Testament authors, the Apostles, and especially Y'shua.

- Gives cultural and historical context - 21st century readers can now understand what words and expressions meant to those who wrote the passages in Bible times.
- Finally understand the Hebrew Roots of Christianity through scripture.
- Available in synthetic leather, hardcover or Kindle formats

This is the translation I have been waiting for so long. Finally it's there. Praise the Lord. --M Noelette Magdeleine

This bible is awesome!!! After reading 13 different versions, I have finally found one that is powerful and provides tremendous refelation! --Doug

Every chapter and verse of this translation is full of delightful surprises! We have Rev. Morford to thank for his dedication to the preservation of the original meanings of Hebrew and Greek words, and to presenting us with the original emotional tones and expressions that were intended to accompany the text. You will not find another translation that so powerfully reveals the "decisive and authoritative" aspect of our creator AND His "tender and relational" characteristics as well. If you have been reading Latin based translations, you must read the ONE NEW Man Bible . Be prepared for a fresh encounter with a very powerful, very loving creator. You must read this Bible! --Mandy Grubbs
