Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures From Simon & Schuster

In this re-issued paperback edition with a new epilogue, Carl Zimmer reveals the power, danger, and beauty of parasites in "a book capable of changing how we see the world" (Los Angeles Times). For centuries, parasites have lived in nightmares, horror stories, and the darkest shadows of science. In Parasite Rex, Carl Zimmer takes readers on a fantastic voyage into the secret universe of these extraordinary life-forms-which are not only among the most highly evolved on Earth, but make up the majority of life's diversity. Traveling from the steamy jungles of Costa Rica to the parasite-riddled war zone of southern Sudan, Zimmer introduces an array of amazing creatures that invade their hosts, prey on them from within, and control their behavior. His vivid descriptions bring to life parasites that can change DNA, rewire the brain, make men more distrustful and women more outgoing, and turn hosts into the living dead. This comprehensive, gracefully written book brings parasites out into the open and uncovers what they can teach us all about the most fundamental survival tactics in the universe-the laws of Parasite Rex.

Users Review

From reader reviews:

Saul Robinson:

The book Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures make one feel enjoy for your spare time. You should use to make your capable more increase. Book can for being your best friend when you getting anxiety or having big problem together with your subject. If you can make studying a book Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures to become your habit, you can get much more advantages, like add your personal capable, increase your knowledge about several or all subjects. It is possible to know everything if you like wide open and read a guide Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures. Kinds of book are a lot of. It means that, science e-book or encyclopedia or other folks. So , how do you think about this guide?

Nancy Smith:

Do you considered one of people who can't read enjoyable if the sentence chained within the straightway, hold on guys this kind of aren't like that. This Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures book is readable simply by you who hate the straight word style. You will find the information here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to give to you. The writer associated with Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the content material but it just different such as it. So , do you still thinking Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures is not loveable to be your top checklist reading book?

Betty Epperson:

Why? Because this Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures is an unordinary book that the inside of the publication waiting for you to snap this but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I were you I will go to the e-book store hurriedly.

Craig Palmer:

This Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures is great e-book for you because the content and that is full of information for you who always deal with world and have to make decision every minute. This book reveal it facts accurately using great organize word or we can say no rambling sentences in it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with beautiful delivering sentences. Having Parasite Rex: Inside the Bizarre World of Nature's Most Dangerous Creatures in your hand like keeping the world in your arm, data in it is not ridiculous one. We can say that no guide that offer you world throughout ten or fifteen second right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt that will?
