Dedicated solely to SFX, this book will show you tips and techniques from a seasoned SFX makeup artist with years of film, TV, and theatrical experience. Not only will this book take you through the many genres that need a special effects makeup artist, like horror, fantasy, and sci-fi, but it will also tell you about the tools you will need, how to maintain your toolkit, how to take care of the actor's skin, and how to airbrush properly when HD is involved.
