Editorial Review

Amazon.com Review

Comics! Puzzles! Jokes! Laffs! Flip-O-Rama! Stickers! Sound too good to be true? Captain Underpants (*The Adventures of Captain Underpants: An Epic Novel, Captain Underpants and the Perilous Plot of Professor Poopypants*, etc.) is all about making readers happy, especially in this "really cheesy" (hey, the captain said it, not me) activity book starring everyone's favorite wedgie-powered superhero and his fourth-grade creators, George and Harold. Learn how to write your very own comic book, solve word-find puzzles, find your way out of Doctor Diaper's Devastating Diaper of Doom maze, pick up a few prank tips, make flip-o-rama pictures, complete the Cafeteria Ladies' Crazy Crossword, read all about Hairy Potty, the evil nuclear waste-enhanced toilet with werewolf fangs, and so much more. The exquisitely juvenile humor and (intentionally) unsophisticated artwork will have even reluctant readers clamoring for more from the very talented and irreverent Dav Pilkey. Pass the final exam and you can send away for your P.H.D. (Pilkey Honorary Diploma), make-it-yourself graduation cap with real artificial tassels, and a membership card. All three Terrifying Name Change-O-Charts 2000 are included, as well as a sheet of full-color stickers featuring Turbo Toilet, jockey-clad Captain Underpants, and the snickering troublemakers, George and Harold. (Ages 7 to 10) --*Emilie Coulter*

Review

"Pilkey's sharp humor shines, and is as much fun for parents as their young readers." -PARENTS' CHOICE FOUNDATION

"Combines empowerment and empathy with age-appropriate humor and action" -BOOKLIST

"Celebrates the triumph of the good-hearted."

-THE EDUCATIONAL BOOK AND MEDIA ASSOCIATION

"(One of the) 5 Books That All Children Should Read"

-HEALTHY FAMILY MATTERS

"They'll (parents) appreciate children laughing as they dive in and page through this old-fashioned thing called a book."

-THE NEW YORK TIMES

"For every downtrodden fun-seeking kid who never wanted to read a book."

-SCHOOL LIBRARY JOURNAL

From the Author

NOTES (from Pilkey.com):

"Soon after Captain Underpants and the Perilous Plot of Professor Poopypants came out, my publisher asked me to make another book. Unfortunately, I didn't have enough time to create a new epic novel, so I suggested an activity book.

We were on a very tight deadline, and there was not enough time for me to make a dummy for the book. So my publisher did not know what they were going to be publishing until they saw the finished art.

The day before my deadline, I mailed in all the art for the book, which included a 33-page comic book called "Hairy Potty and the Underwear of Justice".

My publisher's legal team was not happy that I was poking fun at one of the biggest series of books ever written, so they asked me to make significant changes to my comic.

I said, "no".

Then they insisted.

I said "no".

Then they demanded!

I said "no".

Finally, they said, "if you don't make these changes, we won't publish your book!"

I said "fine by me". Then I wished them all a happy "Banned Books Week", and unplugged my phone for a month.

In the end, my comic book was published exactly the way I wrote it, with no changes.

Sometimes you just have to hold your ground."-- Dav Pilkey

Fun Facts:

1. It's quite common for artists to "butt heads" with their publishers. Fortunately for Dav, the good people at Scholastic, Inc. have been incredibly kind and supportive throughout the years, and experiences like the one mentioned above (which really DID happen during Banned Books Week in 2000) are very few and far between.

2. You can celebrate free speech by reading a banned book! Ask your parents to help you pick out something juicy! Read it together... talk about it... it's fun! Find out more by visiting this website: ala.org/bbooks/.

3. Looking for some great banned books? I recommend *The Adventures of Huckleberry Finn* by Mark Twain, *To Kill a Mockingbird* by Harper Lee, and *The Stupids* (the series) by Harry Allard and James Marshall. Aah, the classics!

4. In 2013, the #1 most challenged book series (according to the American Library Association) was: *Captain Underpants* (for offensive language, and being unsuited for the age group).

5. Although some people complain about the "offensive language" in the *Captain Underpants* books, the series doesn't contain any profanity. Not ONE swear word! Seriously. The closest thing to an actual *swear word* is the word "darn" (or "darned"). Admittedly, these two words are used quite frequently throughout the series.

6. Even librarians are unsure what the "unsuited for age group" complaint is all about. The only thing that might be considered too advanced for the age group is the vocabulary, which is often much higher than what is typically found in books for ages 7 to 10.

7. Although the title clearly says "Extra-Crunchy", this book does not stay very crisp in milk.

Users Review

From reader reviews:

Vivian Obrien:

Book is to be different for each and every grade. Book for children right up until adult are different content. To be sure that book is very important for us. The book The Captain Underpants Extra-Crunchy Book o' Fun ended up being making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The reserve The Captain Underpants Extra-Crunchy Book o' Fun is not only giving you much more new information but also for being your friend when you feel bored. It makes you more easily to read this book, because you can read this book in your Touch screen phone. So there is no reason to you to past this book from your list.

Lidia Flynn:

The e-book with title The Captain Underpants Extra-Crunchy Book o' Fun posesses a lot of information that you can learn it. You can get a lot of benefit after read this book. This specific book exist new understanding the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. That book will bring you with new era of the the positive effect. You can read the e-book in your smart phone, so you can read it anywhere you want.

Dianne Janelle:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach

Chinese's country. Therefore this The Captain Underpants Extra-Crunchy Book o' Fun can make you truly feel more interested to read.
