Language Notes

Text: English, French (translation)

From the Back Cover

They're smart, they're playful, and they've fascinated humans from time immemorial. Dolphins are among the most mysterious and highly evolved creatures on Earth, boasting extraordinary intelligence, sophisticated communication, and intriguing, thought-provoking social and behavioral qualities. In this superbly illustrated and authoritative book, the dolphin's world comes to colorful life in all its engrossing diversity.

Featuring more than a hundred arresting full-color photographs and IMAX® camera images, and text by best-selling author Tim Cahill, *Dolphins* is both a portrait of these unique marine mammals with whom we share our planet and a vivid profile of a gifted team of scientists on the frontier of dolphin research, whose firsthand account of what they've learned captures the irresistible challenge of understanding the dolphin's complex world.
