### **About the Author**

Sarah Lynn's three young sons taught her how to race toy cars. Together they've used their imaginations to create roads everywhere (couch, kitchen floor, dirt, sand, rug, and the bathtub, just for starters.) The idea for 1-2-3 Va-Va-Vroom! came to Sarah when she was teaching her oldest son to write numbers. They began imagining the pencil as a car drawing its own track. Those vroom-vroom sounds made writing numbers so much more fun. Sarah is also the author of Tip-Tap Pop, illustrated by Valeria Docampo. She lives with her family in Camarillo, California. Users Review**From reader reviews:**

Arthur Dickison: Why don't make it to be your habit? Right now, try to ready your time to do the important work, like looking for your favorite book and reading a e-book.
