## Heartburn By Nora Ephron

'If I had to do it over again, I would have made a different kind of pie. The pie I threw at Mark made a terrific mess, but a blueberry pie would have been even better, since it would have permanently ruined his new blazer, the one he bought with Thelma ...I picked up the pie, thanked God for linoleum floor, and threw it' Rachel Samstat is smart, successful, married to a high-flying Washington journalist...and devastated. She has discovered that her husband is having an affair with Thelma Rice, 'a fairly tall person with a neck as long as an arm and a nose as long as a thumb and you should see her legs, never mind her feet, which are sort of splayed.' A delectable novel fizzing with wisecracks and recipes, this is a roller coaster of love, betrayal, loss and - most satisfyingly - revenge. Heartburn is Nora Ephron's roman a clef. It is the amusing revenge of a woman scorned: 'I always thought during the pain of the marriage that one day it would make a funny book,' she once said - and it is.

'Funny and touching ... proof that writing well is the best revenge' Chicago Tribune

#### From the Back Cover

Is it possible to write a sidesplitting novel about the breakup of the perfect marriage? If the writer is Nora Ephron, the answer is a resounding yes. For in this inspired confection of adultery, revenge, group therapy, and pot roast, the creator of *Sleepless in Seattle* reminds us that comedy depends on anguish as surely as a proper gravy depends on flour and butter. Seven months into her pregnancy, Rachel Samstat discovers that her husband, Mark, is in love with another woman. The fact that the other woman has "a neck as long as an arm and a nose as long as a thumb and you should see her legs" is no consolation. Food sometimes is, though, since Rachel writes cookbooks for a living. And in between trying to win Mark back and loudly wishing him dead, Ephron's irrepressible heroine offers some of her favorite recipes. *Heartburn* is sinfully delicious novel, as soul-satisfying as mashed potatoes and as airy as a perfect soufflé.

#### About the Author

Nora Ephron has received Academy Award nominations for Best Original Screenplay for *When Harry Met Sally*, *Silkwood*, and *Sleepless in Seattle*, which she also directed. She lives in New York City with her husband, writer Nicholas Pileggi.
