The Smart Aleck's Guide to American History By Adam Selzer

Do you know America? No, I mean, do you REALLY know America? Would you recognize John Adams in a lineup? Can you identify any presidents between Lincoln and Roosevelt?

Hmmm. I thought so.

Well, you *really* need this book.

Not only will it improve your sorry historical knowledge, it will crack you up, and give you material to throw your teachers off-balance for entire class periods. Identify their lies! Point out their half-truths! And possibly, just possibly, gain some extra credit for yourself.

Editorial Review

From School Library Journal

Grade 8 Up—In the style of acclaimed writers Jon Stewart (*The Daily Show*) and Steven Colbert (*The Colbert Report*), this witty, comedic, and appealing volume abandons the world of historical dates and battles to fill in some of the gaps in young Americans' knowledge of their country's history. Readers learn of General Washington's rebellion against the "basic rules of boating safety" as well as encounter James K. Polk's mullet ("Business up front, party in the back, baby.") while benefiting greatly from the book's efficient presentation of pivotal themes and events such as the American Revolution, Civil War, and Civil Rights Movement. This clever and informative work follows a chronological arrangement from early exploration to the inauguration of President Barack Obama in January 2009. Each chapter concludes with a "Some of the Stuff We Missed" section, essay questions such as "Who was the bigger jerk, Hitler or Stalin?"; vocabulary words; and multiple choice "End-of-Chapter Questions" that range from "What do *you* think happened to those Croatoan guys—and what gave you *that* idea?" to "What Civil War guy had the best nickname?" Small black-and-white photos and reproductions appear throughout. The companion Web site contains supplemental information, links to relevant documents and other sites, and "Assignment Alerts!" for further exploration. This informal approach is sure to appeal to even the most reluctant of readers.—*Brian Odom, Pelham Public Library, AL*
