A Garden in the Rain (Macleod Family) By Lynn Kurland

Lynn Kurland tells the story of Patrick MacLeod—the first MacLeod to discover the secrets of his ancestral land....

Patrick MacLeod is haunted by his past, by events he had no control over and wishes desperately he could change. He hasn't the heart for love, nor the time for rescuing maidens in distress of their own making. Until he sees a woman who touches his heart and stirs his soul...and makes him believe love might be possible again after all.

For Madelyn Phillips, Scotland is the land of dreams, filled with magic, romance, and handsome Highland lords. Unfortunately, the reality of her dream vacation is no car, no luggage, and a pesky ex-fiancé determined to shadow her every move. She thinks her dreaming is in vain until she sees a man standing on a windswept moor, a Highlander full of secrets and longing, and knows she has seen her destiny.

But the past isn't through with either of them, and it will take all the love both of them possess to make their dreams come true.

Editorial Review

From Booklist

After her fiance, Bentley Douglas Taylor III, dumps her, then fires her, Madelyn Phillips attempts to salvage what she can from the wreckage of her life by going ahead with her planned trip to Scotland sans Bentley, only to find the insufferable twit waiting for her there in a misbegotten attempt to convince her to return to him. While trying to ditch Bentley, Madelyn visits Culloden and bumps into Patrick MacLeod, the lethally handsome Scotsman who earlier almost ran her off the road. At that moment, Madelyn intuitively realizes that Patrick is her one true love, but she hesitates to communicate this inexplicable idea to him since she's puzzled by it herself. Even if Madelyn reawakens a long dormant sense of desire in him, Patrick knows telling her the truth about who he really is will destroy any chance of a relationship. Of course, neither one factors in what a little bit of magic can do! Kurland laces her exquisitely romantic, utterly bewitching blend of contemporary romance and time travel with a delectable touch of tart wit, leaving readers savoring every word of this superbly written romance. *John Charles*
